Examiner: E. H. Lee

**RESPONSE TO RESTRICTION REQUIREMENT**

MS Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed October 7, 2008, between:

**Group a) Claims 1-4, 8-11 directed towards controlling the deformations so that they are substantially the same.**

**Group b) Claims 5-7, 12-14 directed towards controlling the deformations so that one is smaller than the other.**

Applicant hereby elects the Group a), Claims 1-4, 8-11, directed towards controlling the deformations so that they are substantially the same, without traverse.

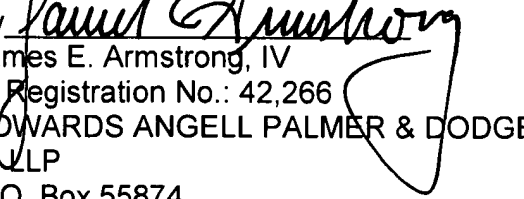

In any event, Applicant reserves the right to file one or more divisional applications directed to the non-elected claims prior to issuance of any patent maturing from the instant application.

Please charge this fee and any other fees which may be due with respect to this paper, to Deposit Account No. 04-1105.

Dated: October 27, 2008

Customer No. 21874

Respectfully submitted,

By
